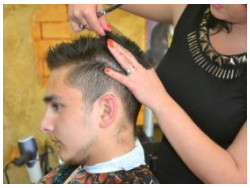
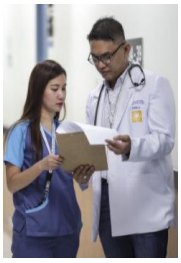
Coley Primary School – Knowledge Organiser

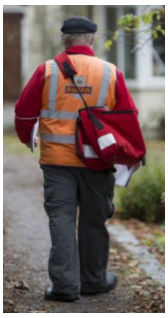
SUBJECT FOCUS:	Our Community	FS2	TERM 2

WHAT? – Key Knowledge

We live in a big **town** called Reading in **England**.
Our **community** is made of all the people who live and work where we are. There are lots of different people in our community who have lots of different jobs.







Everyone in our community is **different** and everyone is **special.**

We belong to our school community. In our school our friends all look different and are special in different ways – it is very **diverse**. Wemight like different things, speak different lanaguges and have different beliefs and religions.

It is important that we make our community a happy place to be by being **welcoming** and showing **kindness**.

WHAT? – Key Knowledge

Instructions

Instructions tell us how to do something.
If we read them and follow the steps we can find out how to do something or how to make something.

We will learn instructions about how to Brush Our Teeth.

Instructions have a title – this tells us what the instructions are for.

Instructions might have numbers so we do the steps in the right order.

How To…

1.
2.

Dentists work in our community to help us care for our teeth. They want us to have strong, healthy teeth so we can eat all our favourite foods.

We must care for our teeth by…

Brushing our teeth everyday, twice a day.

Not eating too much sugar. This means not too many sweets and drinking juices with a meal.

Visiting the dentist every 6 months so they can check our teeth.

We have **baby teeth** or **milk teeth** first. These will become wobbly and fall out and then our 'adult' teeth will grow. This starts to happen when we are around 5 or 6.

Key Vocabulary	
Community	A group of people living in the same place.
Baby Teeth or milk teeth	The first set of teeth you have as a child.
Dentist	Someone who has been trained to look after teeth.
Kindness	Showing care and being friendly to others.
